Dying Grammatically

-Forever clever,
he dies alone.

-Good for him!
I'll have the whole freak-
in menagerie in here. Eating

crackers on the bedspread
and farting volcanically!

-Will you fatally depart, then, to get rid of it?

-Best choice.

-I thought...singular pronoun?

-Since, collective noun. Encompassing!

-Grammar!

-In discussing Death, of course!

-Once called "passed on!"

-Not to bother. At any rate, dying grammatically is Extreme Unction
for our gang!
